Reasons for Allowance

1. Examiner has considered Appellants brief of 03/06/2007, and after further consideration of Appellants arguments as indicated in Appellant's brief on page 9, last full paragraph, Examiner is withdrawing the previous rejection (10/06/06) and placing all remaining claims 3, 5 – 17, 20, 22 – 30, 33, and 35 – 45 in condition for allowance.

The prior art of record does not teach or fairly suggest at least:

“...including an extra statement in each of said groups, wherein execution of such an extra enables said determining in step b) to identify an executed one of the groups corresponding to said extra statement, wherein said program is contained in a plurality of programs which in turn are contained in a class of an object oriented environment...”, as best illustrated by figure 2 and in such a manner as recited in claims 13, 29 and 42.

Therefore, all claims, i.e. claims 3, 5 – 17, 20, 22 – 30, 33, and 35 – 45 are in condition for allowance. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
